Our Mission is to increase the membership and influence of the Republican Party.
To educate and inform Women in party principles and politics and to stimulate
interest in public issues at every level of government. To inform the public through
political education and activity. To influence legislation in all that pertains to the
improvement of life in our Communities, our County, State and Country. To
increase the number of Women registered and enrolled in the Republican Party
and to increase the number of Republican Women elected to public office.
